

A-1	A-2	A-3	C	B (Project Showcase)	Time
Breakfast					8:00- 9:00
GIS Implementation <i>Maximizing an Enterprise GIS</i> Michael Brown	Internet / Web Applications <i>Internet Mapping: Combining ArcIMS and SVG</i> Stephen Hodge	Utilities / Transportation <i>Utilities Mapping for Water and Wastewater Systems</i> <i>Using Geographic Informations Systems</i> Jim Hunt, Trevor Trinkhaus	Urban and Regional Planning <i>The Role of GIS in the Rural Lands Stewardship Program: The Adams Ranch Story</i> Adam M. Carnow, AICP		9:00
GIS Implementation <i>Making GIS Easy to Use- Sample Case Studies of GIS Users Interfaces</i> Ed Dipollina	Internet / Web Applications <i>MapPoint and MapPoint Location Server Intro</i> Ken Walker	Management <i>Becoming a Certified GIS Professional (GISP)</i> Bill Alfred, GISP	GIS Implementation <i>The Frugal Mapper</i> Michael Brown		10:00
GIS Implementation <i>GIS Collaborative Solutions</i> Kurt Lieberman	Internet / Web Applications <i>GeoViewer- One Webpage and Infinite Mapping Applications</i> Benton Belcher, Kurt Saari	GIS Implementation <i>What's New in ArcGIS 9.1</i> Michele Lundeen	Urban & Regional Planning <i>Generalizing Future Land Use for Central Florida</i> Claudia Paskauskas	Airphotos and Images to GIS: A demonstration with ENVI RSI Amanda Warner Application Engineer	11:00
Lunch					12:00
GIS Implementation <i>Accuracy of Data Considerations</i> C. Henry Depew	Remote Sensing <i>Integrating Multi-Temporal LiDAR Elevation Data for the Maintenance of Large-Scale Landbase Datasets</i> Greg Mauldin	GIS Implementation <i>A Sampling of Mobile GIS Solutions</i> Michele Lundeen	GIS Implementation <i>Hummingbird Enterprise for ESRI: Bridging the Gap</i> Jeff Miller		1:30
Remote Sensing <i>USDA NAIP Imagery and GeoExpress Tools with Mr Sid and JPEG2000</i> Bill Timmons	Public Safety / Public Health <i>Creating an Enterprise Data Integration System in Support of Domestic Security And Performance Management</i> Brian Pierce	Environmental <i>Arc Hydro Data Model: A communication Framework for Surface Water Quality Monitoring Aesessment Summaries</i> Sandra Fox, etal.	GIS Implementation <i>Bringing GIS Integration Into the Business Process: TlCGIS Land-ID Project, A Case Study</i> Lee Hartsfield, Elizabeth Ostrus, Scott Weisman		2:30
Afternoon Break					3:00
SHRUG Post Workshop Meeting					3:30
